Survivability has style

Enhance the audacious look of your SUV with 18-inch grey gunmetal or 19-inch Jaipur rims featuring blue iron central caps, wing extenders* to protect the bodywork, chrome-finish or satin-finish rear-view mirror shells... And don't forget comfort either: you can install anti-skid side steps or chrome-finish lit styling bars; their LEDs will light up the ground as soon as the doors are opened. Practical if you want to enjoy your all-terrain escapades to the full!

Interior design

Tailor-made comfort

Comfort has been maximised, with opulent upholstery, an inspired ergonomic design and much more. The Renault KADJAR's interior has been designed to look after the adventurer in you. Its illuminated door sills light up to welcome you every time the door is opened. Its anti-skid sports pedals give it a touch of sportiness. Renault's accessories showcase your SUV's passenger compartment – the Black Edition floor mat, for example, whose red topstitch is in line with the interior harmony that is specific to this finish!

Adventure beats harder

Never caught off guard! Whatever your hobbies, whatever gets your pulse racing, whatever place you want to discover, your new Renault KADJAR will follow you! It has all the equipment it needs and can switch from snowbound roads to bicycle touring with the same energy, towing a trailer or caravan, without compromising on safety or practicality.

Brimming with adventure

Feel like a mountain hike or want to try some stand-up paddle-boarding? Take your equipment with you in complete safety. With the QuickFix roof bars, the sliding ski/surfboard rack is easy to fit. And if you want to take your mountain bikes away for the weekend... it's just as straightforward: you can choose between the ProRide 80 bicycle rack for the roof and the towbar bicycle rack, which pivots down so the boot is always accessible. And if you really do have a lot to take with you, fit one of our secure lockers. Stylishly designed and practical, they come in different sizes for your L, XL or XXL adventures!

Live your leisure activities

Sometimes you need to tow a trailer for your jet ski or your camping equipment. But what about the rest of the time? To keep your new Renault KADJAR looking stylish, our retractable towbar can be hidden away under the rear bumper skirt in just a few seconds. Our towbars are also available in removable versions without swan necks for installing pivoting bicycle racks for two, three or four bicycles. No more excuses for not peddling, either on your own or with friends...

- 1. Retractable towbar

Protection

Protected areas

Dust, sand, earth... those are the traveller's enemies. To keep everything that you take with you safe, no matter what the outdoor conditions are, consider the EasyFlex boot protection. Modular, anti-skid and waterproof, it covers the entire loading space. If your boots are covered in mud or you have other dirty items to carry, go for a boot liner; flexible and waterproof, it fits in perfectly with your new Renault KADJAR. And for looking after its passenger compartment, choose from a whole range of specially-designed fabric or rubber floor mats.

1. EasyFlex modular boot protection
(82 01 589 708)
2. Boot liner
(82 01 583 479)

Onboard experience

Welcome to your home

Enjoy a weekend break without having to compromise on what makes everyday life pleasant: a thermos flask of coffee on a removable shelf, a wireless smartphone charger so you can stay connected however long your expedition lasts, a multimedia device attached to the headrests so your passengers can watch their favourite series... Then once you arrive at your destination, grab your completely crease-free jacket off the travel coat hanger.

Safety

Drive with complete peace of mind

Featuring perimeter and volumetric protection, the alarm acts as a deterrent for all potential thefts. Once on board, manoeuvres can be performed in complete safety thanks to the new Renault KADJAR's parking support system. For driving on snowbound roads in winter, fit your wheels with Premium Grip chains. And if you're travelling with children, choose our Isofix* child seats. Practical and safe, they'll keep your children completely secure. They can be tilted back so they'll fall asleep faster!

1. Alarm (perimeter and volumetric, with anti-lift module)
(82 01 719 562)
