Passion for life

Renault CAPTUR

1 October 2019

Urban adventure

Start celebrating, city people: the Renault Captur, the popular SUV, has had a makeover. With its range of colours*, its redesigned grille with finely-chromed edging*, and its black fixed glass panoramic roof*, the Renault Captur is geared toward urban adventurers like never before. Its full-LED Pure Vision lights* and its C-shaped daytime running lights show its assertive, determined character. The striking two-tone colours allow you to express your individuality.

CAPTUR

Rediscover the city

Tackle the urban landscape and experience the feeling of dominating the streets and avenues. Thanks to its raised ground clearance, skid plates built into the front and rear bumpers and the optional fixed glass roof, you can explore everyday urban life from all angles. Settle into a welcoming, colourful and innovative interior, where all your senses will be primed to capture the joys of city life.

Strong design

With 17" Emotion or Explore alloy wheels available from the Iconic trim level, the Renault Captur is ready to take you on the urban excursions of your dreams. Your SUV will show its assertive character with sharp design and strong personality. Its front and rear LED lights shed a new light on your daily life. The Captur enhances your city experience.

A smart interior

Renault Captur has everything you need to feel good. Place your hands on the leather steering wheel*, enjoy the new comfort of the more supportive seats, rest your arm on the central armrest* or take advantage of the LED courtesy lighting*, featuring reading lights. All around you, the colours are understated and elegant, the chrome trim* both discrete and attractive. 3D sound provides you with an exceptional listening experience. Let it take you away.

*Please refer to the Equipment and options page for specification availability by trim level.

Engines and gearboxes

TCe 90 engine

The TCe 90 engine is ideal for city centre driving. Highly responsive at low revs and combined with a five-speed manual gearbox, it delivers the very best in fuel economy.

TCe 130 and 150 engine

This latest generation of petrol engine from Renault features technologies to help increase torque and reduce CO₂. As a result these engines deliver driver pleasure around town or on motorway routes.

EDC automatic gearbox

Maximise your driving pleasure. The automatic dual-clutch EDC gearbox offers you dynamic performance and fluidity at fuel economy levels that are close to those you enjoy with a manual gearbox.

Making life easier for you

With its many, cleverly-designed storage spaces, Renault Captur makes your everyday life easier. Carefully integrated in the dashboard is a handy storage compartment, where you can keep your mobile phone or wallet!

The passenger compartment features a modular, 1/3-2/3 split-fold sliding rear bench seat with three places, meaning you can adjust the space whenever you like, depending on your needs. As for the boot,* it comes with a multi-position floor that can be removed and reversed.**

*From 359 litres to 455 litres when the bench seat is in forward position. ** Depending on the version.

Touch & explore

Renault Captur offers you three fully touch-sensitive multimedia systems: R&Go, Media Nav and R-LINK in addition to DAB radio being standard across the range.

R&Go, the new application: by simply connecting your smartphone to the car radio, you can access the R&Go functions. Six icons let you follow an itinerary (uses phone's data), control the driving mode, manage the radio, safely make and receive phone calls, etc.

MediaNav: Renault's on-board touch screen tablet Media Nav provides access to useful and practical features including: navigation, multimedia, radio, hands free telephone using Bluetooth® technology and Eco driving giving you advice to reduce your daily fuel consumption.

With its 7" touchscreen, intuitive voice control and steering wheel-mounted controls, Renault R-LINK lets you access innovative, practical features, including TomTom® navigation (36 months subscription to LIVE services from delivery), multimedia, a telephone system, vehicle data and a catalogue of applications that can be downloaded from the R-LINK Store. Also, access your smartphone's apps for navigation, music, calling and messaging with Android Auto™**

* For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

**Compatible with Android phones running Android 5.0 (Lollipop) or later. Requires a USB cable certified by the smartphone maker. Applications compatible with driving: List of applications available on Android Auto. Connecting a smartphone to access Android Auto™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

The best of the city

Renault Captur has its eye on everything: it weighs up parking spaces before helping you park, warns you about potential hazards, helps you brake in an emergency and observes everything that goes on around you. Captur: stay in control of your adventures!

Protection

Fitted with front and front side airbags, Renault Captur has very protective instincts. In the rear, the Isofix attachment system ensures that child seats can be safely installed.

Hill Start Assist

When starting the vehicle on a slope, brake pressure is automatically maintained for two seconds, giving you time to move away.

Hands Free Parking

Make parallel parking effortless! With its sensors, the system measures the available space before taking over the steering and completing the manoeuvre for you. Available on GT Line.

Blind spot warning

The system detects the presence of any vehicle in the area that your rear-view mirrors do not allow you to see. Enabled between 19 and 87mph, the blind spot warning system immediately activates a warning light. Available on GT Line.

Emergency Brake Assist

A sudden obstacle? Let your reflexes take over. When pressed abruptly, the brake pedal automatically boosts your braking in order to reduce your stopping distance.

Front fog lights with cornering function

When taking corners, the fog light on the side nearest the bend lights up automatically to give you a wider field of vision. Available on GT Line.

STANDARD BOOT LINER

Ideal for easily transporting a range of products, particularly items that could soil the boot. The liner protects the original carpet and adapts to all boot configurations with its upper tab. Practical, the semi-rigid material and high edges makes it easy to install and clean.

MUD FLAPS

The discreet, functional mud flaps protect the underbody of your Captur from mud and gravel. Drive with confidence.

ALL-IN-ONE BOOT LINER

Essential for protecting the boot of your vehicle and for carrying bulky items that could soil the interior. It folds and unfolds very easily, adapting to the position of the rear seats. Once completely unfolded, it covers the entire loading space. Versatile and practical, for daily use and for leisure activities.

**Play and GT Line excluded

For prices, please refer to the Renault Car Price Guide available at your local dealer and on www.renault.co.uk.

Accessories*

SWAN NECK TOW BAR

Enables towing of trailers, caravans, professional equipment, bicycle racks and more, all in complete safety.

SIDE STEPS

Dare to be different and treat yourself to an adventurer's style. A functional accessory that makes it easier to access your vehicle and its roof.

ILLUMINATED FRONT DOOR SILLS

Protect the lower door section of your vehicle in style. The stainless steel and aluminium finish, along with the Renault signature, add an undeniable touch of style.

ROOF BARS

Ideal for transporting a bicycle rack, a ski rack or a roof box, increasing the vehicle's loading capacity. This genuine Renault accessory meets advanced standards in safety and resistance.

* WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit renault.co.uk/configure for WLTP figures for any selected options.

Renault Services

3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 60,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration. Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

Finance options***

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty[^]. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.
