

Dacia Sandero

The smarter **supermini**

This is what
an **all-rounder**
– looks like

A bargain that **ticks all the boxes**

You need a family car. But that doesn't have to mean boring, bulky or beyond your budget. Nope – the New Dacia Sandero brings something new to the game.

It's stylish, compact enough to whip around town, and surprisingly roomy inside. And did we mention it's under **£7 k*** brand new? Yeah – really.

As with all of our cars, you can keep the Sandero simple or jazz it up to your liking. We've got a range of trims, tech and features to make life easier and comfier.

Our Sandero has won loads of **WhatCar** awards** (six, if you're counting) and they said "it's hard to go wrong with the Dacia Sandero"†. So do yourself a favour and **take one for a spin**.

Be ready **for anything**

Modern life is mad. One day you're commuting in the city. Next day you're packing up for a family adventure weekend. Luckily, the Sandero can keep up with your lifestyle like a champ.

Its fluid lines, defined curves and new honeycomb grille are proof that affordable doesn't mean dull. While a choice of rigorously-tested engines and surprisingly robust suspension mean it's equally inspiring behind the wheel.

You can also relax with Hill Start Assist, ABS, **Electronic Stability Control** and front and side airbags, as standard. Everything you need for a smooth and peaceful ride.

Fancy chilling out with air conditioning?
Or rocking out to your favourite tunes on DAB or your phone using Bluetooth®*?
It's all possible with your Sandero.

Watch this **space**

Just how comfortable, roomy and practical can a supermini get? Step inside and see for yourself.

With five proper seats onboard, you'll find plenty of room for the whole family. The **split-folding rear seat** and **320 litre boot** mean there's space for all your stuff too. From a fortnight's groceries to the kids' sports kit, it'll all fit in – no sweat.

Keep your cool with **air conditioning** in the Ambiance and Lauréate models. And don't worry too much about muddy paw prints or feet on the seats. The black cloth seats are as hard-wearing as they are comfortable. Or if you fancy a little bit of luxury, choose the Lauréate model with **leather seats**.

Of course, your safety is everything. That's why the Sandero comes with **four front airbags** as standard. Visual and audible warnings let you know if anyone's not wearing their seatbelt. And **child locks** help keep little ones safely where you can keep your eye on them.

The tech **you need**

We don't do unnecessary nonsense. But we do let you pick from gadgets that keep you connected, safe and entertained in your **Sandero**.

Like DAB, FM and AM radio as standard in the Ambiance model. Or the handy AUX and USB inputs, for the times only your own tunes will do. If you need to make or take a call, do it safely with Bluetooth™ connectivity*.

Add to all that our **Lauréate** model's 7" Touchscreen MediaNav system. Its SatNav with voice guidance makes light work of navigation. So you'll never get lost again, probably.

Navigation

Provided by Navteq with vocal guidance.

Radio

Listen to DAB, FM or AM radio.

Phone

Bluetooth® technology* allows you to make and receive calls on the move.

Music

DAB/FM/AM tuner, connect devices via USB and AUX sockets.

The engine room

Meet the boss under the bonnet

Just because your car is affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

Pick the engine for your lifestyle:

The new SCe 75 engine is a great all-rounder

- 3-cylinder, 998cc engine offers you 73 hp and 54.3 mpg combined, with CO₂ emissions of 117g/km*.

The turbocharging TCe engine offers more performance

- Produces 90 hp from its 3-cylinder, 898cc engine, yet still achieves 57.6 mpg combined and CO₂ emissions of 109g/km*.

For ultimate fuel efficiency, try the dCi 90 diesel engine

- An impressive 80.7 mpg and CO₂ emissions of only 90g/km*.

*Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk.

We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Rest assured, the Sandero is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 7 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Sandero will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles* after you buy your new Dacia.

Servicing

Just like most cars, you need to get your Dacia serviced every year (or 12,000 miles if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.

Want a helping hand? We make it easy to spread the cost of your servicing needs with Finance. Just speak to your Dealer or check the Dacia Price Guide for more information.

The monthly Service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance Ltd. For full Dacia Warranty Terms and Conditions visit www.dacia.co.uk/services-and-finance/warranty.

† Available to purchase from first date of registration up to end of manufacturer warranty.

^ The Service pack offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicle must be ordered between 1st April 2018 and 30th June 2018 and registered in 2018. The Dacia Service pack covers the manufacturer's minimum maintenance programme requirements for the term of the Service pack purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service Pack do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service pack full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

The Dacia Community

For us, putting in the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the **Nationwide Association of Blood Bikes**. We get stuck in as the **official partner of Rugby League**. We also run an annual **Dacia Day**, full of fun and games for our amazing Dacia drivers – maybe we'll see you there next year? In the meantime, keep up with us on our Facebook page or Youtube Channel.

Dacia Day

The Dacia way

Fourteen years isn't long. But in that time we've grown from unknown to worldwide warriors. We've sold 4.5 million Dacias globally since 2004. And since we launched in the UK in 2013, 100,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear, whether you buy online or at our dealerships across the country. Plus, they're shockingly affordable.

Maybe that's why we've been the **fastest growing car brand** in Europe since 2004. Or maybe it's the awards we keep winning. Who knows? Don't just take our word for it – we've been left loads of genuine customer reviews on **Dacia.co.uk**, and we're pretty popular on car forums too.

Did you know we're part of the **Renault Nissan Alliance**, and share our head office with Renault? That means we also share their **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.

Take your **first adventure**

Make a smart choice today.
