

Dacia Duster

Rugged, robust and rebellious

January 2021

Our Trophy Cabinet

BBC TopGear.com Awards 2019 Manufacturer of the Year!

We don't like to brag, but we think it's only right to celebrate our hard work. Take a peek at the awards we've had chucked our way (so far)...

And our most recent additions:

More Duster than ever

Dacia **Duster**

Dacia Duster. Ready for **adventure**

Nothing fazes the Dacia Duster. Open road or off road*, it'll go wherever you want to go.

With its dominant front grille, ready-for-anything roof bars and new 16[†] or 17-inch[^] alloy wheels, this SUV takes on any terrain – and makes it look easy. The added side protection, skid plates and front lighting signature will leave a lasting impression. Ready to go?

4X4 MONITOR*
POSITION OF THE CAR
DURING OFF-ROAD DRIVING

Off road? Of course

Climb, cross, descend...the Dacia Duster will follow your lead. With high ground clearance, a rock-solid chassis and 4X4 mode, off road is never off limits. It's time to say good bye to the beaten track and make way for new discoveries.

*4x4 versions from Comfort

MULTIVIEW CAMERA[^]
4 CAMERAS TO HELP DRIVING
ON-ROAD AND OFF-ROAD

Travel **well-equipped**

Sometimes you're cruising down the motorway, sometimes you want to get off the main roads and explore uncharted territory*. Either way, the Dacia Duster always knows how to respond.

Hill Start Assist makes light work of the steepest slopes, while the Hill Descent Control[†] keeps you on top of your speed. And because your eyes can't be in two places at once. The multiview camera detects objects around you. Talk about smooth sailing.

All booted up

Meet the perfect companion for any journey. Whether your weekend is about surfing, shopping or running the kids about, the Dacia Duster's passenger compartment can be configured to carry everything you need.

With the 60/40 folding rear bench seat, the boot's loading capacity and 25.9 litres of storage in the cabin, take what you want, where you want.

Assist and control

We've added loads of new safety features to the Dacia Duster.

Dacia Duster offers:

- Seat frames and large front head rests for improved protection.
- Isofix for child seats with a new i-Size feature for extra peace of mind.
- Seat Belt Reminder (SBR) with dashboard display and a warning sound if a seat belt is unfastened.
- Bumper damper and bonnet design for improved energy absorption in case of impact.
- Large door mirrors for better driver visibility.

The Dacia Duster isn't just easy on the eye. It helps to keep you safe and sound behind the wheel, too.

Blind Spot Warning[^]

Kitted out with four ultrasound sensors, the Dacia Duster lets you know when any vehicles at the back or side are between three and five metres away. If any danger is detected, a warning light flashes automatically in the door mirror, and if your indicator is on, a warning light flashes in the rear-view mirror. The system works between 19mph and 70mph.

Speed Limiter

Now you can drive under a pre-set speed without having to check your speedometer. Happy days.

Automatic Headlight Activation

The Dacia Duster offers automatic headlight activation which helps provide a more relaxed safer drive. Bet that's brightened your day...

The height of comfort

The Dacia Duster impresses inside and out. The electrical power-assisted steering offers a smooth driving experience, while the multiview camera* makes for perfect parking. Unlock the doors with a hands-free key card^ and let the Climate Control^ and heating keep you comfortable without lifting a finger.

Get connected with the 7" Touchscreen MediaNav system† with built-in navigation and voice guidance capabilities. Mirror your smartphone apps onto the screen through Apple CarPlay™ or Android Auto®**. Now that's smarter thinking.

When it comes to super comfortable seating, our designers really know what they're doing. Sink into plush seats with enhanced lateral support, armrest†, dense foam, long cushions and a height-adjustment system‡ that'll make every drive a joy. For ultimate comfort, heated and leather seats are available^ as an option to keep you warm and comfortable throughout your journey.

We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles^Δ after you buy your new Dacia.

Dacia car insurance¹

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^Δ. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.

Lines are open Mon - Thurs 8.30am - 7pm, Fri 9am - 6pm, Sat 9am - 5pm

Servicing

Dacia Service Plans are the ultimate hassle free way to take care of your vehicle. Depending on the Service plan you purchase (see opposite grid) your servicing needs are covered and you benefit from;

- Inflation Proof Servicing – You know exactly what you'll pay and there are no hidden costs
- Peace of Mind – No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Dacia Expertise & Quality – Our highly trained technicians know your Dacia inside out

The Dacia Service Plan contains Dacia services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Dacia is in the best condition possible.

The monthly service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance Ltd. (Not available on cash purchases).

^{*}The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicles must be ordered between 4 January 2021 and 31 March 2021 and registered by 30 June 2021. The Dacia Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

^Δ The service schedule and intervals are subject to the registration number. Ask your local dealer to confirm your service schedule / intervals as the above is a guideline.

^{**}36 or 48 monthly payments options are only available at point of signing a finance agreement provided by Dacia Finance, Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over 18 to apply for finance. Terms and conditions apply.

^ΔIf your insurer uses non-approved parts which subsequently fail, they may not be covered under your manufacturer's warranty.

The **engine room**

Meet the boss under the bonnet

All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

Pick the engine for your lifestyle:

The **TCe100** petrol engine is a great all-rounder

- 3 cylinder, 999cc engine offers you 100 hp and indicative figures of 46.3 - 45.6 mpg combined with CO₂ emissions of 138-141 g/km*

For ultimate fuel efficiency, try the **Blue dCi 115** diesel engine†

- An impressive 57.7 mpg and CO₂ emissions of only 128g/km*

The **TCe 130** petrol engine offers great performance

- Offering 130hp and a great 42.8 mpg with CO₂ emissions of only 149g/km*

For ultimate power, try the **TCe 150** engine†

- The impressive 150hp turbocharged engine still gets 42.8 mpg with only 149 g/km*

Blue dCi Engines

Dacia Duster benefits from the latest Blue dCi diesel engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting AdBlue®, into the exhaust system. A dashboard message will remind you when the AdBlue® needs topping up via specific AdBlue® filling cap located next to the usual Diesel fuel filler cap. A full tank of AdBlue® will last for 6 full tanks of Diesel.

Bi-Fuel (Liquefied Petroleum Gas - LPG)

The new dual-fuel factory fitted Bi-Fuel engine has excellent range capacity and comes with 44.1-43.4 (Bi-Fuel 35.3) mpg and 145 (Bi-Fuel 129) g/km CO₂ emissions*.

Bi-Fuel (LPG) Engines

Bi-Fuel is an alternative fuel enabling a lower CO₂ emission. Bi-Fuel vehicles have two separate fuel tanks (LPG and Petrol) and can be switched between fuel type. The LPG tank (34 litres) is installed in the hollow of the spare wheel, and does not sacrifice the boot volume. Bi-Fuel vehicles come with a tyre inflation kit as it is not possible to have spare wheel.

The key benefits of Bi-Fuel engines are:

- Better in Running Fuel Costs[¥]
- Better in CO₂ Emissions[¥]
- Better in NoX Emissions[‡]
- Better in Polluting Particles[¥]
- Quieter Engine Noise[‡]

*WLTP figures shown are for comparability purposes. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration.

Bi-Fuel

Maintenance

- Similar maintenance programme as petrol versions

Range and Economy

- Bi-Fuel engines come with two fuel tanks (Petrol & LPG) which means you can travel around 620 miles with both tanks full.
- When running in LPG mode, fuel consumption increases by around 20%. However, as LPG is cheaper to buy at the fuel pump, there are savings to be had.

Easy to use

- Filling up with LPG is just as easy as filling up with Petrol or Diesel. Simply screw on the UK LPG adaptor found in the vehicle and attach the LPG fuelling nozzle at your chosen station.

Warranty

- The cherry on the cake? Have total peace of mind with Dacia's standard 3 year/60,000 mile warranty*.

The **Dacia Community**

For us, going the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the Nationwide Association of Blood Bikes. We proudly support Future Terrain, a charity that helps injured ex-service personnel back into employment through motorsport and vehicle engineering. We get stuck in as the official partner of Rugby League. Now the proud sponsors of the Nation England Rugby League teams for Men, Women, Wheelchair and Youth. We also run Dacia Days, which are full of fun and games for our amazing Dacia drivers - keep up to date with us on Facebook, Twitter, Instagram and our YouTube channel.

The Dacia way

Sixteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 6.5 million Dacias globally since 2004. And since we launched in the UK in 2013, 190,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award **Best Value New Car in Auto Trader New Car Awards!**. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.
