available with  
E-Tech full hybrid

**3rd April 2024**

# different energy, same love

**More Clio than ever after 30 years of success, new Renault Clio E-Tech full hybrid injects new energy. The overhaul of the Renault identity is reflected in the sportiness of its esprit Alpine version and the sharper new grille. Inside are biobased and recycled materials, comfort and connectivity.**

**Enjoy a unique driving experience with the 145hp E-Tech full hybrid engine.**

## a new impetus

New Renault Clio E-Tech full hybrid\* unveils a distinctive and stimulating style: enlarged front grille with chrome, new full LED lights at the front and rear, and sculpted sides. The sportiness is expressed in every detail, with the esprit Alpine version and its shadow grey F1® blade.

The Nouvel R diamond logo and the half-diamond daytime running lights accentuate the modernity of the design, providing a bold and distinctive look.

In the esprit Alpine version, the 17" Alpine engraved, F1 inspired wheels enhance the model's sporty personality\*\*.

The esprit Alpine interior stamps its identity, with the blue top-stitching on the upholstery, the embroidered motif on the upper seatback, the aluminium pedal unit and the Alpine door sill. The dashboard and the seats adorned with a French flag badge and the blue/white/red stitching on the steering wheel give a nod to the esprit Alpine DNA.

72% recycled textile in the esprit Alpine upholstery

blue/white/red top-stitching on the steering wheel

\*TCe90 also available. \*\*blue centre cap or grey centre cap depending on body colour.

## next-generation comfort

Take a seat in a contemporary interior featuring heated front seats, made from biobased materials and a heated steering wheel stamped with the new Renault identity. Personalise the driving experience with the three multi-sense modes.

Created from the partnership with Tencel™, the coatings of the upholstery, doors and dashboard contain 60% plant fibres<sup>(1)</sup>, with the wood used guaranteed to come exclusively from sustainably managed European forests. There is no leather in new Clio: instead, the surfaces are covered in TEP, a grained coated fabric made of bio-sourced and polyester fibres.

techno version upholstery

(1) in techno version only.

## more welcoming than ever

Thanks to its feel for comfort and roominess, the rear provides excellent knee room of 16.5 cm and optimal headroom to accommodate both children and adults.

Enjoy the generous boot volume of up to 391L\*. Adjust the 1/3-2/3 bench seat very easily for available space of up to 1,069L in the configuration with three seats folded down.

\* 301 L / 1,006L on E-Tech. 391 L / 1,069 L on TCe 90.

[configure and order →](#)

## resolutely connected

New Renault Clio connects you to the remote services you need. Enjoy the easy link connected system and its 9.3" multimedia touch screen<sup>(1)</sup>, with on-board navigation and wireless smartphone replication.

The wireless replication compatible with Android Auto™ and Apple CarPlay™ shows all of your apps, playlists, podcasts and calls on the multimedia screen

The customisable 10"<sup>(2)</sup> digital instrument cluster keeps essential driving information in your direct view.

Stay permanently connected thanks to the wireless induction charger<sup>(3)</sup>, located in the central storage space, to recharge your smartphone at any time without having to plug it in.

(1) 7" touch screen on evolution and techno, 9.3" on esprit Alpine.

(2) only on esprit Alpine trim.

(3) standard on techno and esprit Alpine versions.

Android Auto™ is a trademark of Google Inc.

Apple CarPlay™ is a trademark of Apple Inc.

## 05. advanced driver-assistance systems

# up to 17\* advanced driver-assistance systems

As part of the human first program, new Renault Clio offers up to 17\* advanced and innovative driver-assistance systems.

**adaptive cruise control**  
The system keeps a safe following distance from the vehicle in front of you. It activates the brakes if you get too close and accelerates when the road is clear again.

**blind spot warning**  
Enabled at speeds over 9mph, this system uses warning lights to alert you to the presence of vehicles that are not visible in your field of vision.

**lane keeping assist**  
This system corrects the angle of the steering wheel, returning the vehicle to its lane unless you have indicated.

**automatic emergency braking**  
Warns the driver of an imminent risk of frontal collision with a stationary vehicle, at low speeds. Triggers automatic emergency braking to avoid or mitigate a collision.

**rear view camera**  
This system provides a rear view on the screen when you engage the reverse gear. Superimposed outlines make your manoeuvres easier and safer.

**rear cross traffic alert**  
When reversing, the system warns you of a risk of collision with a vehicle.

### driver-assistance systems

- hill start assist<sup>(1)</sup>
- safe following distance warning<sup>(1)</sup>
- speed limiter<sup>(1)</sup>
- cruise control<sup>(1)</sup>
- adaptive cruise control<sup>(3)</sup>

### park assist systems

- front parking sensors<sup>(2)</sup>
- rear parking sensors<sup>(1)</sup>
- rear view camera<sup>(2)</sup>

### safety

- lane departure warning<sup>(1)</sup>
- lane keeping assist<sup>(1)</sup>
- blind spot warning<sup>(3)</sup>
- rear cross parking alert<sup>(3)</sup>
