Passion for life

Renault TWIZY

Plug into the positive energy

Renault TWIZY

Times are changing

TWIZY is a two-seater, compact electric vehicle with zero emissions in use - like nothing else on the road today. It is powered by a 17hp electric motor with a smooth one-speed automatic transmission, and a light and compact lithium-ion battery pack.

TWIZY is available in two versions; Expression – TWIZY in its simplest form, and Dynamique – with the addition of gloss alloy wheels and two-toned colour collections.

With a few simple, daring ideas and a decade of research into cleaner energy, TWIZY brings a new lease of life to better living and more fun than you'd ever imagine.

What's your TWIZY like?

Expression

The TWIZY you desire already exists. Focusing on the TWIZY essentials of flexibility, green energy and safety, Expression is TWIZY in its simplest form - a standalone blockbuster.

Colours

Lagoon Blue Flame Orange Diamond Black* Snow White*

Grey Snowflake wheel trim

*Metallic paint optional.
Image shows optional scissor doors.

3 TWIZYs = one parking space

TWIZY is the champion of easy parking with its unbeatable compact size and turning circle. So, no need for endless trips round the block to find a space, you can now park anywhere in town. (Where permitted, naturally).

Or maybe it's...

Dynamique

TWIZY Dynamique considers design down to the finest details with; two-toned colour collections, coloured mirrors and diamond cut alloy wheels - the ultimate finish. With TWIZY Dynamique, chic goes hand in hand with fun.

Colours

Lagoon Blue Flame Orange Diamond Black* Snow White*

TWIZY features

Expression

Technology

- Electronic engine immobiliser
- Range indicator with eco score
- Regenerative braking
- Battery econometer
- Battery gauge (%)
- Integrated 3m cable for 3-pin domestic socket
- Automatic transmission (reduction gear)
- Daytime running lights
- Drive and speed display

Interior

- Airbags - driver
- Lockable steering column
- Seatbelts - 3-point rear seatbelt
- Seatbelts - 4-point front seatbelt
- Seats - front seat with anti-submarining
- Headrest - built-in rear headrest
- Seats - adjustable front seat with built-in headrest
- Behind rear seat storage - lockable 31l
- Heated windscreen - quick demist

Exterior

- Disc brakes - front and rear
- Wind deflector - front lateral
- Grey 'Snowflake' wheel trim

Dynamique

Additional standard equipment to expression (includes core features above)

Interior

- Floor mats - driver and passenger

Exterior

- A choice of 14 colour collections
- Alloy wheels - 13" 'Diamond' gloss black / orange / blue (depending on colour collection)

* The Renault TWIZY range has been measured and certified to 62 miles by UTAC (Union Technique de l'Automobile du Motorcycle et du Cycle) on the ECE-15 cycle. Exactly as with petrol and diesel cars, when driven under real conditions, this range will vary according to: speed, driving style, the terrain of the road, the use of electric accessories. Most of these factors can be influenced directly by the driver so as to help maximise the range of the Renault TWIZY. For example, the range will be around 50 miles using eco driving principles and 37 miles when driven under severe conditions.

Design your own TWIZY

TWIZY owners are not shrinking violets. You want to stand out and be noticed. You like to be different. That's why we've introduced Design Your Own TWIZY; making the most of TWIZY's ability to stand out from the crowd like no other.

Standard colour options

Flags

Patterns

Art

Animals

Camo

Body wrap options

This is the ultimate in personalisation; as well as a huge range of colours, you can also choose from patterns and designs to make TWIZY truly your own. With the new website configurator, you will be able to see exactly what your TWIZY will look like before ordering.

It doesn't end there. Lots of businesses are making the most of TWIZY's ability to stand out and be noticed. The 'Do Your Own Thing' option within Design Your Own TWIZY allows them to make sure their vehicle reflects their business as fully as possible; wraps can include business names and images so possibilities are limited only by imagination.

Option 1 Door only

Option 2 Door and frame

Option 3 Door, frame rear and front

Option 4 Full wrap with your own design

TWIZY comfort

No room for jealousy aboard the TWIZY: two people, one set of welcoming and adaptable comforts. While some like it completely open, others have a little cocoon in mind, which is why TWIZY offers optional scissor doors and a blanket for both driver and passenger. For a flood of natural light and an unrestricted panoramic view, the clear sky roof is an optional extra, too. Also available is a highly practical accessory: the hands free Bluetooth®* kit allows you to stay connected on the go. TWIZY, a truly outstanding re-definition of openness.

TWIZY storage

Although the cabin is compact, no space is wasted. Two gloveboxes are provided – one can be locked – and a handy 31-litre storage point behind the rear seat. Storage nets hold smaller items.

*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

TWIZY technology

TWIZY comes complete with a 3m extending spiral charging cable, which is stored beneath the flap at the front of the vehicle. Recharging is simple, using a standard three-pin plug to connect the vehicle to any 220V 10A domestic or workplace electricity supply. A full charge takes around 3.5 hours and delivers a real-world range of 50 miles - depending on driving conditions, your driving style and the landscape. Regenerative braking and an automatic gearbox can conserve and even increase this range. As with the entire electric range, the dashboard displays remaining battery life information, so you'll always know where you stand.

TWIZY safety

Being a four-wheeled vehicle – classed as a heavy quadricycle – TWIZY is inherently more stable and offers greater protection than a scooter or motorcycle. Its height and curvy shape make it much more visible to other road users. Disc brakes all round and a low centre of gravity give good stopping power and fundamental stability. At the front, a deformable structure provides protection in the event of a collision, while the outboard wheels and lateral beams either side of the chassis give side protection. The driver is held securely in a four-point seatbelt, with a three-point belt for the passenger, and in the event of a front-end collision, the driver's airbag will deploy. The front seat also has an anti-submarining design.

Accessories

TWIZY windows: benefit from total protection in poor weather conditions thanks to this effective, high-quality accessory. These windows are fast and easy to fit at home making TWIZY even more versatile than ever.

Parrot MK9100 Bluetooth * kit: a unique hands-free kit, combining the latest in communication technology with a range of music functions, including; wireless remote control and colour display, voice synthesiser and voice recognition, and MP3 iPod connectivity.

Alloys: personalise your TWIZY with 13-inch alloy wheels available in Flame Orange, Urban Blue or Gloss Black Diamond-finish.

INDIVIDUAL ACCESSORIES

Sport and Design

Alloy wheels (Flame Orange, Urban Blue, Gloss Black)

Protection and Comfort

Driver and passenger blanket

Front mudflaps

Protective vehicle cover

Rubber mats

Rear body coloured parking sensors

Steering wheel lock

Storage nets

TWIZY windows

Technology

Parrot Bluetooth* kit with full audio and speakers

*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

Accessories are fitted post-production and may have an impact on real world fuel (actual) consumption and CO₂ figures.

Renault Services

3 YEARS WARRANTY

Your Renault TWIZY is covered by a warranty package for up to 3 years* or 31,000 mile which ever comes first, from the date of registration. Your Renault electric Dealer will repair or replace parts that are found to have a material or assembly defect that is recognised by Renault, free of charge. The paintwork warranty runs for 2 years and the anti-corrosion for 6 years.

3 YEARS ROADSIDE ELECTRIC ASSISTANCE

Should you need it, we will provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day for the duration of the warranty period. Assistance is provided within the UK & Northern Ireland only, at roadside or home and includes national recovery and onward travel. Renault electric Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault electric Assistance Terms and Conditions please visit www.renault.co.uk/assistance

FINANCE OPTIONS**

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

* 3 year Warranty valid on a new TWIZY. For full terms and conditions visit www.renault.co.uk/warranty

**Finance provided by Renault Finance, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. Subject to status, terms and conditions apply.

CUSTOMER RELATIONS

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Team on 0344 3350000 (Mon-Fri 8.00am to 6.00pm. Closed on Bank Holidays. Live Chat Mon-Fri 8.00am to 9.00pm). You can also visit our website www.renault.co.uk or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.
