

ALL NEW RENAULT KANGOO

1st July 2022

**All New Renault Kangoo
the award-winning, dynamic van**

revolutionary from the start... and recognised for it

The innovative and functional design of All New Kangoo has already gained global recognition, including winning International Van of the Year 2022.

24 leading journalists specialising in commercial, industrial, and transport vehicles placed Renault's latest van in front of the 14 light commercial vehicles from 11 different brands that have also been released in recent months.

WhatVan? has also named All New Kangoo as the best van in its sector this year, with a focus on safety and quality.

loading volume up to 4.2 m³

easy inside rack

optimised cargo solutions

All New Kangoo is designed with your business in mind. With multiple storage areas and two or three seat configurations, the cabin of Kangoo can be personalised to meet your daily needs. In the loading area, the long objects, keeps space free on the floor and avoids the need to use a traditional roof rack which increases fuel consumption and present a security risk. The spacious load area, reaching a volume of up to 4.2m³ (L2 versions), provides plenty of room for storing equipment and goods in a modular and safe fashion.

hands-free card

induction charger (optional)

technology for professionals

Make your day-to-day work a joy with the state-of-the-art technology in All New Kangoo. You can easily lock and unlock your van with the new handsfree key card (optional), especially helpful when your hands are full, before simply placing your smartphone on the wireless induction charger (optional) to charge while you drive. Enjoy your journey from start to finish with the 8" easylink multimedia screen (standard from Advance), with built-in connected navigation (optional) and automatically updating maps and traffic conditions, while also staying informed and connected via Apple CarPlay or Android Auto. Providing further peace of mind, Kangoo's permanent rear view assist (optional) gives a detailed image of what is happening behind your van.

easylink multimedia system with 8" screen

All New Renault Kangoo E-Tech 100% electric your efficient business partner

electric elegance

All New Kangoo E-Tech 100% electric is the perfect partner to drive your business forward. In the 10 years since its initial launch, Kangoo E-Tech has developed to achieve the perfect balance between efficiency and practicality. The new battery provides a range of up to 186 miles from the 75kw motor, and can charge up to 80% of capacity in as little as 42 minutes. This efficiency is achieved without sacrificing driving comfort or loadspace, with a payload capacity of up to 612kg Kangoo E-Tech has plenty of room to facilitate your daily business activities.

simplified driving and enhanced safety

Make your job easier and work in the best possible conditions thanks to All New Renault Kangoo. At the wheel, a range of useful and ingenious driving assistance systems facilitate your journeys and manoeuvres and make them safer.

rear view assist

via a digital screen - in place of the rear view mirror - lets you see what the camera fitted at the rear of your panel vehicle sees. (optional)

blind spot warning system

warns the driver of vehicles in their blind spot, when driving between 19 and 87mph, and helps avoid collisions when manoeuvring. The driver is alerted by an LED light being activated in the corresponding door mirror. (optional)

a wide-view convex mirror

in the sun visor on the passenger side improves vision and allows you to limit the impact of blind spots. (standard from Advance)

reversing camera

delivers a high resolution image to the easy link screen when you engage reverse gear, making manoeuvring that bit easier and safer. (optional)

an ever safer road

lane keep assist

active between 44mph and 100mph, corrects the steering wheel to bring the vehicle back to its lane if you cross a continuous or broken line without switching on your indicator. (optional)

trailer sway assist

brings extra control when towing a trailer. The system reduces swaying without limiting speed and improves road-holding under difficult conditions, such as crosswind or poorly maintained roads.

Zoning function

locks/unlocks either the front doors or the loading area. (optional)

Grip Xtend System

allows you to drive in any weather on various types of terrain (mud, leaves, damaged roads, etc.) with enhanced traction, available up to 31mph, making every journey possible. (optional)

hands-free parking system

allows you to park your Kangoo with ease. The van will determine a safe parking space and steer itself in. (optional)

active emergency braking system (AEBS)

detects both moving and stationary vehicles, pedestrians and cyclists and audibly alerts the driver. If the driver does not brake or does not brake hard enough, the system supports with braking. (optional)

Kangoo Van colour palette

Glacier White (NM)

Urban Grey (NM)

Metallic Black (MP)

Highland Grey (MP)

Oyster Grey (MP)

Carmine Red (MP)

NM: non metallic paint.
MP: metallic paint.

Renault Pro+, the specialist brand

You're the expert in your field and at Renault Pro+ we're here to guide you through ours. We're passionate about delivering products and services to move your business forward. So when you choose to partner with Renault Pro+ you can expect:

specialist network

Renault Pro+ Centres have a dedicated commercial vehicle specialist. So whatever you're seeking advice on, there's always someone to help.

business commitment

Come rain or shine, we have a set of commitments in place to help maximise uptime and minimise downtime.

the future today - 100% electric

Renault Pro+ has been building, selling and maintaining electric vans since 2011. So when you're looking to make the switch, you know who to speak to.

a tailored approach

Your vehicles are as unique as your business. That's why we have a programme of conversions to deliver exactly the product you want. From 'off the shelf' conversions to a more bespoke approach. We'll guide you through.

Renault services

3 years warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 100,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The traction battery warranty runs for 8 years or 100,000 miles, whichever comes first. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 years Renault assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 100,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance and Terms and Conditions please visit www.renault.co.uk/assistance

LCV service plans & extended warranties

Renault's LCV Service Plans are the ultimate package to provide care free servicing for your new Renault LCV.

It really is the hassle free way to take care of your Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
