

SUBARU FORESTER

SUBARU

Confidence in Motion

THE ESSENCE OF **EXHILARATION.**

Handling. Reliability. Safety. Exhilaration. There are certain characteristics that make every Subaru, a Subaru. And you only have to slip behind the wheel once to fully appreciate them. Every vehicle in the range is powered by Subaru's world famous low-centre of gravity BOXER engine and permanent Symmetrical All-Wheel Drive (AWD) system. This unique set-up gives every Subaru the remarkable balance, stability and poise of a dedicated on-road vehicle combined with the traction, control and off-road agility of a full-blown 4x4. The Subaru Forester is the pioneering SUV in the range that makes full use of Subaru's unique capabilities and creates a benchmark for all other SUVs.

THE **PIONEERING** ADVENTURER.

A trail-breaking pioneer of the family crossover when first launched in 1997, the ultra-rugged Subaru Forester SUV has now evolved into an accomplished and capable expedition leader. Engineered to conquer ledges, rocks and other obstacles with ease, the Subaru Forester is more than ready to take on any challenge. Now in its fourth generation, the Subaru Forester still retains the engineering, reliability, performance and practicality that made the original such a success but with even greater capabilities. The addition of technological advances like X-Mode - a system that takes control of the engine, transmission, AWD and brakes to safely navigate through bad roads and slippery surfaces with maximum confidence, and Hill Descent Control - that takes care of speed and braking when going downhill while you concentrate on steering, has made driving the Subaru Forester easier and safer than ever. Of course, it goes without saying, the Subaru Forester is still practical and reliable. It is at home both on-and-off-road with a car full of kids bikes, buggies, camping gear and muddy dogs.

THE X FACTOR.

The second wind. It's that extra bit of strength summoned from within that helps you rise to the occasion and conquer the challenge. The Subaru Forester finds its inner strength with X-Mode. Activated with the push of a button, it gives the Subaru Forester that extra bit of capability you may need to take on adverse road and weather conditions.

1 | X-MODE^{*1} AND HILL DESCENT CONTROL^{*1}

"X" marks added capability for any driver, on any road. With a push of a button, X-Mode takes control of the engine, transmission, AWD, brakes and other components to safely navigate through bad roads and slippery surfaces for maximum confidence. For challenging descents, Hill Descent Control enhances confidence down the steepest of hills you'll encounter by providing constant, controlled momentum so the driver can focus more on steering the vehicle and less on braking.

2 | ENGINEERING THAT DOESN'T QUIT

The Subaru Forester was engineered to help you conquer obstacles. The larger the object, the larger the approach and departure angles needed to prevent damage to the front and rear bumpers. Optimised for both, the Subaru Forester's ground clearance maximises break-over angles, minimising your chances of being hung-up from underneath.

^{*1} Standard on 2.0i XE (Lineartronic), 2.0i XE PREMIUM (Lineartronic), 2.0D XC (Lineartronic), 2.0D XC PREMIUM (Lineartronic) and 2.0XT.
^{*2} Angle is 22-degrees for 2.0XT and Diesel models.

1

2

WELCOME TO **EXPEDITION BASE CAMP.**

Designed with an active lifestyle in mind, the redesigned interior of the Subaru Forester is the perfect place to start your adventures. Every feature of the Subaru Forester interior is thoughtfully placed to be right where you need it, when you need it. With high-quality materials and durable design, it's designed to make tasks simpler and driving more comfortable wherever your wanderlust takes you.

INFOTAINMENT: IN TOUCH. **IN CONTROL.** INFORMED.

Going on the road doesn't mean you have to leave it all behind. Stay grounded yet undistracted with technology that's intuitive and easy to use. The Subaru Forester keeps you connected and on course with infotainment, navigation and audio systems that you can either control with the touch of your fingertips or the sound of your voice. And with smartphone and iPhone³ connectivity, you're never without of your peers or playlists.

1 Instrument Cluster

The instrument panel of the Subaru Forester is designed to deliver information quickly and effortlessly. The tachometer and speedometer are clearly visible to help keep more focus on the road ahead.

4 Premium Audio System with Harman/Kardon Speakers⁶

The 8-speaker, 440W system was designed for ultimate sound performance. Two oval-shaped speakers are placed in the front doors and two speakers are installed at the rear doors.

2 High-grade Multifunction Display⁴

Located conveniently in the instrument panel, informative car vitals are displayed at the touch of a button. It also features advanced environmental performance and efficiency – even allowing you to compare the efficiency between different trips.

5 Voice Recognition² and Siri Eyes Free^{3*7}

Your Subaru Forester has more hands-free options than ever before, thanks to intuitive Voice Recognition² and Siri Eyes Free^{3*7} integration. Use Siri to link your compatible Apple³ product to your Subaru Forester, allowing you to make hands-free calls, play music, check emails and search the web.

3 Touchscreen Control

Use the touchscreen to easily manage your music, just as you would on your smartphone. Simply connect your smartphone through Bluetooth^{®15} or the USB port, and you can choose your music right on the touchscreen.

6 Steering wheel-mounted controls

Steering wheel-mounted controls place audio controls conveniently at your fingertips, and an available Bluetooth^{®15} hands-free system automatically links with your smartphone to help keep you focused on the road.

SUBARU STARLINK

Like a built-in smartphone for your car, having the SUBARU STARLINK¹ infotainment system lets you access Internet radio, entertaining apps and much more. Control it with the tablet-like 7-inch centre touchscreen, multifunction steering wheel controls, or one-shot Voice Recognition². If you can't find your favourite music, connect your iPhone³, smartphone or other mobile music device via the USB or standard AUX jack.

 *5 Bluetooth is a registered trademark of Bluetooth SIG, Inc. America.
 *6 Standard on 2.0i XE PREMIUM, 2.0D XC PREMIUM and 2.0XT.
 *7 Siri-compatible Apple product (iPhone, iPad, iPod touch, etc.) required.

EVERYTHING FOR OUTDOORS. **INDOORS.**

Camping. Canoeing. Climbing. Wherever you get your adrenaline hit, the Subaru Forester is more than able to keep up. From planned holidays to spontaneous hiking expeditions, the Subaru Forester has the capacity for any adventure. The wide cargo area can accommodate four large suitcases and even the bulkiest adventure gear, whilst a power rear gate, wider door openings and lower side sills help you load and unload with ease. For longer items, the rear seats fold flat in a 60/40 split.

NO ORDINARY ENGINE. NO ORDINARY SUV.

Few other SUVs drive with the level of confidence and responsiveness of the Subaru Forester and the main reason for this lies beneath the surface – the SUBARU BOXER engine. Its horizontally opposed configuration places the pistons 180 degrees apart for a lower, flatter profile than other engine types. This gives the engine, and therefore the overall vehicle, a lower centre of gravity and better sense of balance. Further, the pistons' opposing movements inherently counteract each other, naturally helping to reduce vibration.

BOXER DIESEL 2.0D XC & 2.0D XC PREMIUM

2.0-LITRE DOHC SUBARU BOXER DIESEL

MAX OUTPUT:
147 PS/3,600 rpm
MAX TORQUE:
350 Nm/1,600-2,400 rpm
FUEL CONSUMPTION:
46.3 mpg (Lineartronic)*1,
49.6 mpg (6MT)*1
CO₂ EMISSIONS:
158 g/km² (Lineartronic),
148 g/km² (6MT)

2.0XT

2.0-LITRE DOHC TURBO SUBARU BOXER

MAX OUTPUT:
241 PS/5,600 rpm
MAX TORQUE:
350 Nm/2,400-3,600 rpm
FUEL CONSUMPTION:
33.2 mpg*1
CO₂ EMISSIONS:
197 g/km²

2.0i XE & 2.0i XE PREMIUM

2.0-LITRE DOHC SUBARU BOXER

MAX OUTPUT:
150 PS/6,200 rpm
MAX TORQUE:
198 Nm/4,200 rpm
FUEL CONSUMPTION:
43.5 mpg (Lineartronic)*1,
40.9 mpg (6MT)*1
CO₂ EMISSIONS:
150 g/km² (Lineartronic),
160g/km² (6MT)

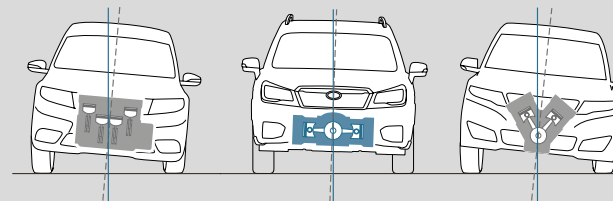

Increased Stability

Because the engine block has a flatter profile and sits lower in the chassis, the overall vehicle is more stably balanced and resistant to side-to-side motion than other designs.

Long-lasting Performance

The engine's flat design is inherently rigid and self-balancing to achieve durability and reliable performance, generating less vibration than V-type or in-line engines in the same class.

*1 MPG figures are official EU test figures for comparative purposes and may not reflect real driving results.

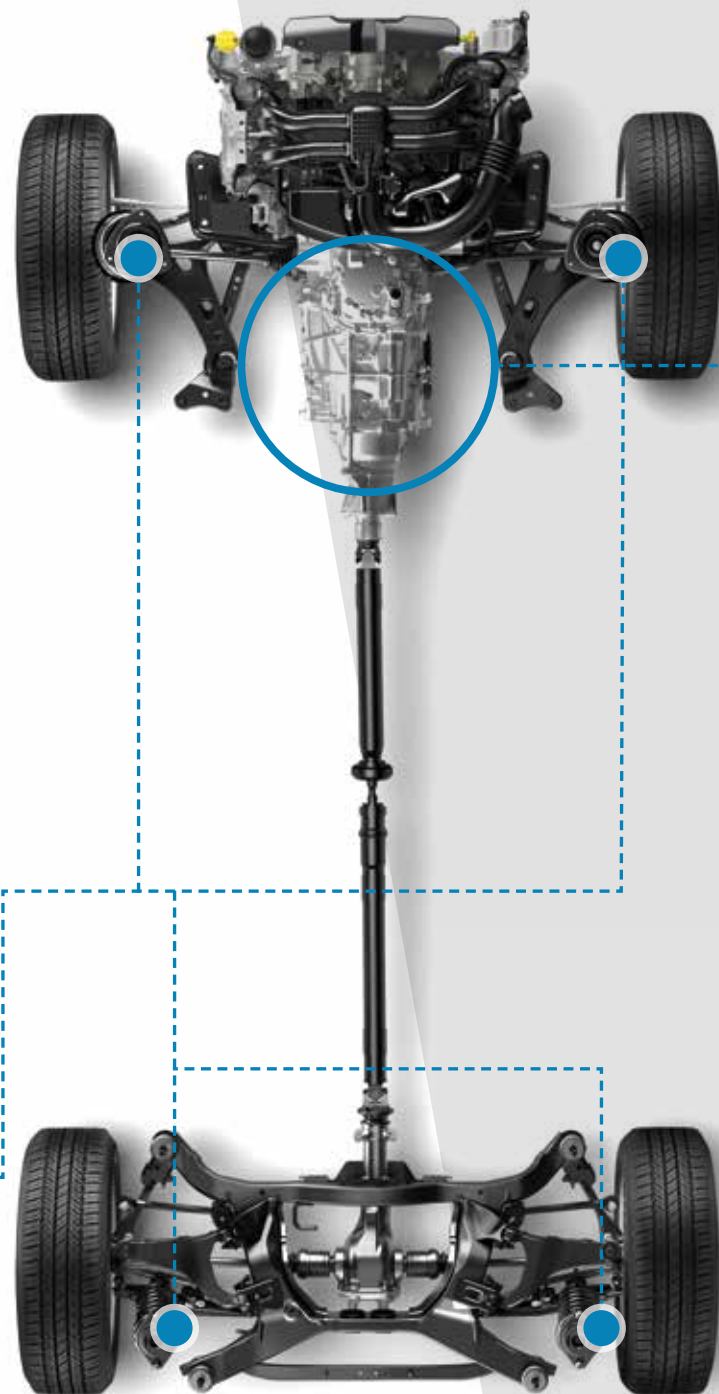

*2 Fuel consumption and CO₂ emissions: According to EC715/2007-2015/45/W.

SYMMETRICAL ALL-WHEEL DRIVE

Control leads to confidence, and stability creates an agility that excites in the Subaru Forester. Subaru vehicles are gifted at inspiring confidence behind the wheel, thanks to the inherently stable design of Symmetrical AWD paired with the uniquely balanced SUBARU BOXER engine. This system delivers power to all four wheels at all times for enhanced control on all roads and in poor conditions. It has excellent side-to-side balance and handling precision, thanks to its main components being aligned longitudinally, whilst its low centre of gravity creates an especially engaging and responsive drive. The unique advantages of Symmetrical AWD make for exceptionally rewarding handling and empower you to better avoid danger.

SUSPENSION

For responsive handling and capability over a variety of surfaces and conditions, the Subaru Forester is equipped with advanced front and rear suspension. With spring rates and dampening dialled in for smooth surfaces as well as rough, the Subaru Forester is a true multi-purpose vehicle. For Direct Injection Turbo (DIT) models, the front suspension features friction-control oil seals, guide bushings, hydraulic fluid on the struts, and optimised suspension tuning - all working together to help smooth vibrations and decrease body roll. Also for the DIT model, the rear support sub-frame provides a more rigid base to mount the rear suspension, for a more controlled ride and more responsive steering.

SYMMETRICAL ALL-WHEEL DRIVE. THE KEY TO A REWARDING DRIVE.

LINEARTRONIC + ACTIVE TORQUE SPLIT AWD

For instant, seamless response to changing conditions, the Lineartronic Continuously Variable Transmission (CVT) uses a chain instead of a belt - allowing a greater span of overall ratios for improved performance and efficiency as well as a faster response to throttle input. It's longitudinally paired with an active torque-split AWD system that responds to traction conditions, the transmission and driver inputs by continuously controlling the torque distribution front to rear.

SI-DRIVE^{*1}

Subaru Intelligent Drive (SI-DRIVE) can adjust the responsiveness of its drivetrain to support your driving style, road conditions or any driving state at your immediate request. Quickly re-map the throttle response and automatic-transmission shifting behaviour to ensure that you always have the best performance for any circumstance.

[S#] Sport Sharp Mode^{*2}

With the focus on response, Sport Sharp mode drives the engine to its maximum potential. In this mode, the engine responds directly to the accelerator for a more powerful delivery when accelerating. Use the paddle shifters in Sport Sharp mode and you take more control of engine performance with eight gear ratios - like an 8-speed transmission - for truly spirited driving.

[S] Sport Mode

Sport mode delivers smooth engine performance at any driving speed. You'll immediately feel a linear response that brings to life the refined, torque-rich response.

[I] Intelligent Mode

SI-DRIVE activates Intelligent mode for immediate driving response and environmental responsibility. Throttle mapping balances smoothness and efficiency for an enhanced level of control.

^{*1} Standard on 2.0i XE, 2.0i XE PREMIUM and 2.0XT.

^{*2} 3-mode SI-DRIVE (Sport Sharp mode, Sport Mode and Intelligent mode) is available only on 2.0XT. Other models are available with 2-mode SI-DRIVE (Sport mode and Intelligent mode).

YOUR SAFETY. IN OUR HANDS.

Subaru takes safety seriously. And the capabilities of the Subaru Forester reflect this. To help you avoid accidents and protect you when they can't be avoided, the Subaru Forester is equipped with both active and passive safety features. Subaru Active Safety helps you circumvent trouble and avoid incidents before they happen with predictable handling, precise control, excellent visibility and advanced technologies. Passive Safety features are there to help protect you if the unthinkable does occur and include systematically placed airbags, whiplash-reducing front seats, retracting pedals and 3-point seatbelts.

PASSIVE SAFETY.

Ring-shaped Reinforcement Frame

The Ring-shaped Reinforcement Frame strengthens the passenger cabin's roof, doors, pillars and floor. This design helps divert and dissipate impact energy away from the occupants in a collision by use of highstrength materials and strategic placements. Whilst making it stronger with increased torsional rigidity, the overall frame is still lightweight.

Seats, Seatbelts and SRS* Airbags

Standard on Subaru Forester are front SRS* airbags, plus front-side, curtain SRS* airbags and knee SRS* airbags. Height-adjustable front seatbelts feature pretensioners to hold passengers firmly in place and load limiters that ease peak forces to the chest. In a rear collision, front seats utilise rigid frames, firm headrests and such details as energy-absorbing mounting of the inner seat springs, all to help reduce the chance of whiplash.

Pedestrian Protection

Shock-absorbing space within the vehicle helps reduce pedestrian injury, as does an energy-absorbing front bumper with a specially designed area around the windshield wipers. And in order to provide protection in the head zone, a split-type construction in the front has been implemented.

5-Star Euro NCAP Rating

The Subaru Forester has been awarded the maximum five-star safety rating in the latest round of Euro NCAP (European New Car Assessment Programme) safety performance tests.

Cabin-protecting layout

Every Subaru goes above and beyond common practice when it comes to your safety. In the event of a head-on collision, your Forester's SUBARU BOXER engine and gearbox are designed to avoid rushing into the cabin for your protection.

ACTIVE SAFETY.

Visibility

With a commanding perspective and front and rear visibility at the top of its class, the Subaru Forester keeps the driver aware and at ease on the narrow roads and tight spaces. Blind spots are kept to a minimum with well-positioned A-pillars and integrated partition windows. The side mirrors have also been placed onto the door panels, creating a remarkably open field of view.

Braking System

The standard 4-wheel disc braking system is enhanced by Antilock Braking System (ABS) with Electronic Brake-force Distribution, to help redistribute braking power where you need it among all four wheels, and also Brake Assist and Brake Override for control in emergency braking situations. There's also Auto Vehicle Hold, which helps prevent rollback when starting from a stop on any slope. The DIT model adds larger 17-inch ventilated discs in front and 16-inch ventilated discs for the rear, for even better braking performance.

Vehicle Dynamics Control System

Vehicle Dynamics Control System monitors and analyses if the vehicle is following the driver's intended course via an array of sensors. If a tyre slips or a high speed turn causes the vehicle off its intended path, the AWD torque distribution, engine output and brakes at each wheel are adjusted to assist in keeping the vehicle on course.

*SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

EXTERIOR COLOUR OPTIONS.

2.0i XE, 2.0i XE PREMIUM, 2.0D XC and 2.0D XC PREMIUM:

Quartz Blue Pearl

Ice Silver Metallic

Sepia Bronze Metallic

Crystal White Pearl

Venetian Red

EXTERIOR COLOUR OPTIONS.

2.0XT:

MODEL FEATURES.

2.0i XE AND 2.0D XC (6MT/LINEARTRONIC)

Exterior

Auto on/off headlamps
 HID headlamps with auto levelizer
 Pop-up type headlamp washers
 Front fog lamps
 Rear fog lamp
 Front head lights integrated daytime running light
 Over-folding door mirrors
 UV protection glass: Windshield and front side windows
 Designed blade, variable intermittent windshield wipers
 Intermittent rear window wiper
 Sports grill (Except on 2.0i XE and 2.0i XE PREMIUM)
 17-inch aluminium alloy wheels (Silver)
 Power sliding, large glass sunroof
 Roofrails
 Roof spoiler
 Shark-fin antenna

Seating/Trims

Leather wrapped steering wheel and gearshift knob
 Front seat heaters
 Manual seat lifter (driver's seat only)
 8-way power adjustable driver's seat
 Power seat with Seat Memory (Except on 2.0i XE)
 60/40 split folding rear seats
 One-touch folding and reclining rear seats
 Seat back pocket

Comfort/Convenience

Power windows¹
 Remote Control Key System
 One-touch lane changer
 Map lamps
 Luggage space lamp
 Vanity mirrors with lids (for driver and front passenger)
 Over head console box
 Centre console box
 Centre console box
 2 front cup holders (in the centre console)
 2 rear cup holders (in rear seat centre armrest)
 Door pockets with bottle holders (on all side doors)
 Interior fuel lid lock release
 Three 12-volt power outlets (in the instrument panel, centre console box and luggage space)
 4 cargo hooks
 Luggage hooks
 Retractable cargo cover

Climate control

Dual-zone automatic air-conditioning system with anti-dust filter
 Heater ducts for rear passengers
 Windshield wiper de-icer
 Automatic rain-sensing windshield wipers
 Heated door mirrors
 Front and side defrosters
 Electric rear window defogger with timer

Entertainment

7.0 Display SUBARU STARLINK infotainment system with Premium audio system²: 1CD and 6 speakers
 Voice Recognition system (Command speech and One shot)
 Steering wheel mounted audio remote control switches
 Bluetooth³-compatible hands-free system
 Dual USB ports and auxiliary audio input jack
 Rear Vision Camera System

Control/Instruments

High-grade type Multi Function Display⁴
 Tilt-adjustable/telescopic steering wheel
 Paddle shift (Lineartronic models only)
 Cruise control

Drivability

SI-Drive (SUBARU Intelligent Drive⁵) (2.0i XE only)
 Auto start-stop system with OFF switch (2.0i XE only)
 X-MODE (Lineartronic models only)
 Hill Descent Control (Lineartronic models only)
 Hill Start Assist
 Vehicle Dynamics Control System (VDC) with OFF switch
 Towing VDC
 Self-levelizer (load-compensating rear struts)

Safety

Daytime running lights
 Front SRS⁶ airbags
 Front side SRS⁶ airbags (for driver and front passenger)
 Curtain SRS⁶ airbags (front and rear, both sides)
 Knee SRS⁶ airbag
 Side-door reinforcement beams (front and rear, both sides)
 Steering column support beam
 Whiplash reducing front seats
 Rear seat headrests for 3 seating positions
 Seatbelt indicator (for driver and all passengers)
 Front seatbelts with pretensioners and load limiters
 Height adjustable seatbelt anchors (for driver and front passenger)
 Rear 3-point seatbelts for 3 seating positions
 Safety pedal system
 4-sensor/4-channel ABS with Electronic Brake-force Distribution
 Brake assist system
 Brake Override
 ISO-FIX adapted child seat anchors (with tether anchors)
 Child-proof rear door locking (both sides)
 Thatcham Category 1 security system with engine immobiliser

PREMIUM MODELS (6MT/LINEARTRONIC)

Additional features to 2.0i XE and 2.0D XC:

Exterior

Sports grill (Except on 2.0i XE PREMIUM)

Seating/Trims

Leather seats
 Power seat with Seat Memory

Comfort/Convenience

Keyless Access (touch-sensor type) and Push Button Start System
 Power rear gate (Except on 2.0i XE PREMIUM)

Entertainment

SUBARU STARLINK infotainment system with SD card type navigation and audio system²: 1-CD and 6 speakers

Control/Instruments

Paddle shift (Lineartronic models only)

Drivability

SI-Drive (SUBARU Intelligent Drive⁵) (XE PREMIUM only)
 Auto start-stop system with OFF switch (Except on 2.0D XC PREMIUM)
 X-MODE (Lineartronic models only)
 Hill Descent Control (Lineartronic models only)
 Self-levelizer (load-compensating rear struts)

2.0i XT (LINEARTRONIC)

Additional features to 2.0i XE, 2.0D XC, and PREMIUM models:

Exterior

Front sports bumper
 Privacy glass for rear doors, rear quarters and rear window
 18-inch aluminium alloy wheels (Silver/Black)
 Twin-tail muffler

Control/Instruments

Alloy pedals

*1 Driver's side front window has auto up/down function with pinch protection.

*2 Equipped with 7-inch VGA centre display.

*3 Bluetooth is a registered trademark of Bluetooth SIG, Inc. America.

*4 4.3-inch LCD screen displays. It shows: Fuel Economy screen, Eco-evaluation screen, Active safety, Clock/Outside temperature and Self check etc.

*5 3-MODE SI-Drive (Intelligent mode, Sport mode, Sport Sharp mode) is available only on 2.0XT. Other models are available with 2-MODE SI-Drive (Intelligent mode, Sport mode).

*6 SRS: Supplemental Restraint System. Must be used in conjunction with seatbelts.

Standard and optional features, model lineup may vary according to market.

Seat Backing

2.0i XE and 2.0D XC

FABRIC BLACK

Seat Trim

Seat Backing

FEATURES.

1 Steering Responsive Headlights (SRH)

When rounding a corner at night, the illumination direction of the headlights move left or right according to the steering wheel to ensure visibility.

2 18-inch Aluminium-alloy Wheels*¹

The 2.0XT is equipped with multi-spoke 18-inch aluminium-alloy wheels and 225/55R18 tyres.

3 Automatic Rain-sensing Windshield Wipers

Available automatic windshield wipers detect rainfall on the glass and adjust their wiping intervals and speed accordingly.

4 Headlamp Washers

Pop-up washers use a high pressure spray to help keep the headlamps at their peak performance in poor weather.

5 Fog Lamps

Multi-reflector fog lamps also serve as daytime running lights, and emit a wide, flat beam that reflects less glare in fog, for added safety.

6 Power Glass Sunroof

The large, internally sliding sunroof with manual sunshade delivers a panoramic view and fresh breezes for front and rear passengers.

7 Keyless Access and Push-button Start*²

Your key fob gives you easy keyless access. Simply grip the door handles to unlock them and start the engine with a button. Even without your fob, a 5-digit PIN code can unlock the doors.

8 4-way Steering Column

To help set your optimum driving position, the adjustable steering wheel tilts up-down and telescopes in-out.

9 8-way Power Adjustable Driver's Seat

This allows you to find a comfortable seating position by 8-way power adjustment. In models with leather interior, a 2-seat position memory function has been added.

10 Three 12V Power Outlets

Auxiliary power is at your fingertips with a 12-volt power outlet located in the centre console, centre console box and cargo space.

11 One-touch Folding Switches

Switches in the cargo area automatically fold each of the 60/40 split rear seatbacks, expanding the luggage space with remarkable ease.

12 Dual-zone Automatic Air-conditioning System

This feature conveniently helps keep the temperature inside where you want it. It also allows the driver and front passenger to set different temperatures.

*1 Standard on 2.0XT.

*2 Available on 2.0XT and 2.0D XC PREMIUM.

*1 Driver's side front window has auto up/down function with pinch protection.

*2 Equipped with 7-inch VGA centre display.

*3 Bluetooth is a registered trademark of Bluetooth SIG, Inc. America.

*4 4.3-inch LCD screen displays. It shows: Fuel Economy screen, Eco-evaluation screen, Active safety, Clock/Outside temperature and Self check etc.

*5 3-MODE SI-Drive (Intelligent mode, Sport mode, Sport Sharp mode) is available only on 2.0XT. Other models are available with 2-MODE SI-Drive (Intelligent mode, Sport mode).

*6 SRS: Supplemental Restraint System. Must be used in conjunction with seatbelts.

Standard and optional features, model lineup may vary according to market.

SUBARU

Confidence in Motion

5 YEAR
WARRANTY[†]

SYMMETRICAL AWD

The Subaru Forester is covered by a 5 Year/100,000 mile (whichever is sooner) Limited Warranty which comprises a standard 3 Year/60,000 mile (whichever is sooner) Manufacturer's Warranty (bumper to bumper, excluding clutch driven plate) and an Extended Warranty (applies to only powertrain) provided by the importer, Subaru (UK) Ltd, for up to a total of 5 Years or 100,000 miles (whichever occurs first). All vehicle bodywork is covered by a 12 Year Anti-Corrosion Warranty and paintwork is covered by a 3 Year Warranty. Added reassurance is provided by a comprehensive 3 Year Recovery and Assistance programme valid in the UK only. For general terms and conditions visit www.subaru.co.uk
