Renault CLIO

Even more irresistible

You'll fall under the irresistible charm of our Renault Clio. Its sensuous curves make it stand out from the crowd. Its new grille mesmerises with a front end panel that is more rewarding than ever and a new lighting signature. With the Clio, each day is more intense than the last.

A strong personality

Intriguing and seductive, the Renault Clío shows its modern and distinctive style. Its new lighting signature, integrated in the Pure Vision LED headlights*, is instantly recognisable. From the side, its 17" black alloy wheels (standard on Iconic) underline its dynamic silhouette.

*Standard on GT Line and optional on Iconic.

Attention to detail

Refined upholstery, full grain leather steering wheel* and quality finishes set the atmosphere in the new passenger compartment. You can customise its air vents and gear gaiter surround,^ dashboard, and seat piping. So many combinations to make the Renault Clio completely yours.

^With manual gearboxes only

CLIO

The Renault Clio shows its assets

The Clio isn't just seductive. With its forward-thinking technology and on-board comfort, Clio transforms your travels into sensory experiences. Discover connectivity that is as innovative as it is intuitive with the R-LINK system* and enjoy an immersive musical experience with the BOSE® Premium sound system*. Take advantage of driving aids such as the reverse parking camera* or the Hands free parking** for peace of mind and a choice of efficient engines to suit your needs.

Performance and control

Based on the combination of innovative technologies, some of which are the direct result of auto racing, the Clio engines are a tour de force: they optimise driving pleasure while managing the consumption levels thanks to Stop and Start.

TCe 90 Stop & Start Efficient driving

This efficient Stop & Start petrol engine is mated with a manual 5-speed gearbox and delivers a responsive drive whilst keeping the fuel consumption at a frugal level.

dCi 90 Stop & Start Driving pleasure and frugality

This diesel engine delivers lower CO₂ emissions whilst not compromising on driving pleasure: with generous torque of 220Nm available even at low engine speeds, you will enjoy a comfortable drive and lively pick-up every time.

EDC Automatic gearbox

The 6-speed dual-clutch EDC automatic gearbox is available with the dCi 90 diesel engine. Upshifting is fast and smooth, with no jerking or loss in acceleration. Fuel consumption is comparable to that of a manual gearbox.
