

STEED / 长城

We've been fine tuning our most optimised pick-up to date. Thirty years of manufacturing experience has helped position the Steed at the top of its game.

Already the bestselling pick-up in China for the past 15 years, the Steed is making waves around the world as a sturdy and reliable pick-up.

With 600 dealers in 100 countries, and the pick-up of choice in Australia and South Africa, the Steed is commonly put to the test in some of the world's toughest terrains.

In 2013 we were placed 6th in the Dakar Rally - the world's most challenging on and off road race across South America - clearly demonstrating that the Steed is a pick-up to be trusted.

[THE INTELLIGENT CHOICE.]

STEED / 长城

The Steed is a product developed for serious hard graft. A pick-up with every sensible feature a driver like you could ask for, and sculpted good looks you'll never need to gloat about.

The Steed speaks for itself: on road, off road and conquering everywhere in between. This is a pick-up for drivers who want affordable substance over superficial glam.

In fact, we're so confident in our technical refinements that every Steed comes with the Great Wall 6-year warranty* as standard.

EQUIPPED AS STANDARD

This 'no compromise' approach doesn't just apply to the exterior either. The Steed's interior is a clever combination of practicality, functionality and smart design, with high spec features like Bluetooth connectivity, individually heated front seats and a leather interior, giving you everything you need to get the job done in comfort and style.

Every Steed comes prepared with:

- » A practical and comfortable leather interior
- » Individually heated front seats
- » Bluetooth® hands-free mobile phone connectivity
- » Steering wheel mounted audio controls
- » Alpine CD/USB/RDS Radio / MP3
- » Four surround-sound speakers
- » Rear view mirror with tyre pressure monitoring system and exterior temperature displays
- » Daytime running lights
- » Multi function key

SPECIFICATION

The Steed delivers more as standard. Uncompromising quality and everything you need from alloys to electric windows, heated seats to premium audio systems. It's fully loaded and ready to roll.

WARRANTY

The Great Wall 6-year/125,000 mile warranty* comes with 3 years' roadside assistance and recovery and a 6-year anti-perforation warranty* bolted on for complete peace of mind.

PERFORMANCE

At its hard working heart is its award winning 139 PS 2.0 litre variable geometry turbo charged (VGT) diesel engine, producing 305Nm at 1800 to 2800 rpm for maximum driving muscle. The engine is mated with a 6 speed gear box for optimum fuel economy.

4 X 4

When the going gets really rough four wheel drive is yours at the touch of a button. Switch from 2H to 4H on-the-fly and after bringing the vehicle to a stop you can select 4L.

PROTECTION

The Steed is more than capable of looking after itself with galvanized body panels and a rust proofed chassis providing reassuringly rock solid protection in any condition.
