

PEUGEOT New 3008

PRICES, EQUIPMENT AND TECHNICAL SPECIFICATIONS

June 2015 Version 15

Model Year 2015

SPECIFICATION OVERVIEW

ALLURE

Exterior Features

- Exterior Pack (Aluminium finish)
- 18" 'Icauna' Alloy Wheels

Comfort & Convenience

- Front Parking Aid
- Reversing Camera
- Parking Space Measurement System

In-Car Entertainment

- Peugeot Connect Satellite Navigation (RT6)

Safety and Security

- Alarm (Thatcham 1 Category approved)
- Colour Head Up Display (without distance alert function)

Heating and Ventilation

- Dual Zone Climate Control

Interior Features

- Cielo Panoramic Glass Roof with Electric Shutter Blind
- Row 2 Sun Visor Curtains
- Driver Lumbar Adjustment

ACTIVE

Exterior Features

- 17" 'Aregia' Alloy WheelsLook Pack (Colour Coded Exterior)
- Adventure Pack (Chrome Styling)

Interior Features

- Leather Steering Wheel
- Family Pack (Additional Underfloor Storage)

Interior Features

- Cloth Interior Trim
- Multiflex Interior (Row 2 Seats Fold Flat, 3 Position, Boot Load Area Floor, Split Tailgate)

Comfort and Covenience

- Automatic Electric Parking Brake with Hill Assist
- Electric front & rear windows

Heating and Ventilation

- Air Conditioning

Comfort and Convenience

- Rear Parking Aid
- Cruise Control with Speed Limiter
- Dynamic Roll Control (2.0 HDi engine only)

Exterior Lighting and Visibility

- Front Fog Lights
- Visibility Pack: Automatic Headlamps & Automatic Rain sensing
- Retrovision Pack: Electrochrome Interior Mirror, Exterior Courtesy Lighting & Power Folding Door Mirrors

Safety and Security

- Electronic Stability Programme (ESP)
 5 * Euro NCAP Safety Rating
- LED Daytime Running Lights, Indicators & Rear Lights.
- Tyre Pressure Sensors

In-Car Entertainment

- RD45 Radio / CD Player with MP3 playback Peugeot Connect USB with Bluetooth

Peugeot PureTech: Compact engine – huge spirit

Peugeot PureTech is advanced 3-cylinder petrol engine technology that offers a drive and performance normally associated with much bigger engines but with significantly improved fuel consumption and CO_2 emissionsⁱ. It's a product of Peugeot's 100 years of intelligent, innovative engineering and combines reduced weight materials with the efficiency of applying direct fuel injection to three cylinders. On some versions we've even added Turbo power, optimising torque at all revs and delivering an engine with a unique personality and one which is ultimately designed to give you maximum driving pleasure and responsiveness, at any speed, for less. (Fcomparison based on 3008 1.21 PureTech130 S&S vs 3008 1.6 VTI 120)

Peugeot BlueHDi: Pioneering on MPG and CO₂

BlueHDi is the name given to Peugeot's latest generation of diesel engines. The result of a world-famous diesel heritage plus innovation and engineering excellence developed on the race track of Le Mans, BlueHDi complies with Euro 6 emission standards, to deliver exceptional fuel economy and CO₂ emissions alongside a driving experience rich in power and performance.

A three stage cleansing process specifically targets the pollutants of diesel combustion, removing hydrocarbons and carbon monoxide, reducing nitrogen oxides by up to 90% and eliminating 99.9% of particulates. BlueHDi delivers the cleanest diesel engine possible and exceptional fuel economy of up to 68.9mpg with CO₂ as low as 106g/kmii.

(iiby number iiimodel and version dependent)

EAT6 (Efficient Automatic Transmission):

New generation of AISIN 6-speed automatic gearboxes

Peugeot's new generation of automatic gearboxes have been developed in collaboration with Aisin AW . EAT6 uses Quickshift technology, for faster gear changes and smooth operation, delivering superb driving pleasure and exceptional fuel and CO_2 efficiency.

¹Grip Control optimises traction in low-grip conditions. It adapts to the terrain by acting on the front wheels, using the electronic components already present on the vehicle. The driver remains in control and can decide at any time to move from Standard mode using the dial located on the centre console, choosing instead Snow, Off-Road, Sand or ESP Off.

Normal mode:

System calibrated with a low and fixed level of spin based on a compromise between the different levels of grip normally encountered.

ESP OFE:
Allows the possibility of disconnecting the dynamic stability control (ESP) and the traction assistance (ASR/Grip Control) up to 30 mph to give back complete control to the driver. Beyond this speed, the systems reconnect automatically for your safety.

Sand mode:
Mode which allows some simultaneous spin of the driving wheels to allow the vehicle to move and reduce the risk of being trapped in the sand.

Snow mode:

On moving off, the system adapts its strategy to the conditions of grip encountered wheel by wheel. When making progress, the system optimises spin to provide the best acceleration possible according to the grip available. Recommended in deep snow or on a steep slope.

Mud mode:
Mode which on moving off allows a lot of spin at the wheel with the least grip to allow the mud to be cleared and grip restored. At the same time, the wheel with the most grip is managed to transmit as much torque as

is managed to transmit as much torque as possible.

When making progress, the system optimises spin to best meet the driver's requirements.

PEUGEOT 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a Peugeot 2 year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the Peugeot Dealer Network in the UK.

PEUGEOT ASSISTANCE

All new Peugeots come with Peugeot Assistance, our breakdown assistance service.

Provided by the AA, Peugeot Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your Peugeot with your permission.

Full details are available at www.peugeot.co.uk

TERMS AND CONDITIONS

Every endeavour has been made to ensure that the information, details and descriptions set out in this literature are correct, at the time of going to print.

It is our policy to continually improve our vehicles in every way. We reserve the right to modify our vehicles price, specification (including colour), equipment, accessories and characteristics or to discontinue any model, without notice, at any time.

To avoid any misunderstandings you are advised to check with your Peugeot Dealer the specification (including colour), equipment accessories and equipment relating to any Peugeot vehicle and the exact cost and availability prior to ordering.

Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, Peugeot Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3
